Real Estate Brussels

About this property

Vaneau Lecobel is honored to present this superb 4-bedroom penthouse with a gross surface area of ±207 sqm, located on the 6th and top floor of the prestigious Malou View project, ideally set in Woluwe-Saint-Lambert, in a green and sought-after environment. Bathed in natural light, the penthouse comprises a generous reception hall; the elevator opens directly into the apartment; access to a triple-aspect living room of ±50 sqm with a fully equipped open-plan kitchen and to a vast south-west-facing terrace of ±65 sqm, offering unobstructed views over the surrounding greenery. The night hall serves four spacious bedrooms (±13, ±14, ±15 and ±18 sqm), two shower rooms and one bathroom. High-end finishes reflect the great care devoted to the project's design: semi-solid oak parquet flooring, underfloor heating with an individual heat pump, double-flow ventilation, photovoltaic panels and excellent thermal and acoustic insulation (estimated EPC rating A). This property combines architectural elegance, contemporary comfort and energy performance in the heart of a green and highly sought-after neighborhood, in immediate proximity to shops, public transport (tram, metro, bus), sports facilities and renowned schools, including the highly coveted European School. Parking spaces available as an option (€40,000). Possibility to acquire a cargo-bike space. Subject to 21% VAT on the construction portion (6% possible under certain conditions) and 12.5% registration duties on the land. For more information about the project, please contact us at 02/669.21.70 or by email at promotion@vaneau-lecobel.be.
