About this property

Vaneau Lecobel is delighted to present this superb three-bedroom apartment with a gross surface area of approximately 130 m², located on the first floor of the prestigious Malou View project, ideally situated on Boulevard de la Woluwe in Woluwe-Saint-Lambert, between Parc Saint-Lambert and Château Malou. Bathed in light, the apartment comprises a spacious entrance hall with integrated cloakroom and guest toilet, leading to a bright living room of ±45 m² with a fully equipped open kitchen and access to a beautiful south-east facing terrace of ±21 m², offering unobstructed views of the surrounding green spaces. The night hall leads to three spacious bedrooms (±11, ±13 and ±15 m²), including a master suite with private bathroom, double sink and separate private toilet. A second shower room and a laundry room harmoniously complete the ensemble. The high-end finishes reflect the care taken in the design of the project: semi-solid oak parquet flooring, underfloor heating with individual heat pump, dual-flow ventilation, photovoltaic panels and excellent thermal and acoustic insulation (estimated PEB A). This property combines architectural elegance, contemporary comfort, and energy efficiency in the heart of a green and sought-after neighborhood, close to shops, public transportation (tram 8, metro, bus), sports facilities, and renowned schools, including the highly coveted European School. Parking spaces available at extra cost (€40,000). Possibility to purchase a cargo bike parking space. Sold under the 21% VAT regime for the construction part (6% possible under certain conditions) and 12.5% registration duties for the land.
