About this property

Vaneau Lecobel is honored to present this beautiful 2-bedroom apartment with a gross floor area of ±89 m² on the 1st floor of the new Austin project at the entrance to the Bois de la Cambre. In a verdant setting, close to public transport and shops, the loft is laid out as follows: entrance hall with checkroom area and guest toilet leading to a large, bright 31 m² living room with fully-equipped open kitchen and access to a 3.5 m² south-west-facing lodgia-type terrace. On the other side, a beautiful 18.5 m² bedroom with a 4.5 m² private bathroom and toilet. A second bedroom of +/- 11 m² with an adjoining shower room of +/- 2.5 m². Materials have been carefully selected, enabling a very high level of energy performance: underfloor heating with individual heat pump system, double-flow ventilation, solar panels, excellent thermal and acoustic insulation. Additional parking spaces and cellars. Estimated EPB: A. Delivery scheduled for Q4 2027. Sale subject to VAT. Possibility of 6% VAT.
