About this property

Vaneau Lecobel presents this superb two-bedroom apartment with a gross surface area of approximately 119.5 m², located on the first floor of the prestigious "Metropolitan" project. Ideally located on one of Brussels' most iconic avenues, on the edge of the Abbaye de la Cambre and the Ixelles ponds, close to Avenue Louise and Avenue Franklin Roosevelt, this unique project combines an exceptional location with elegant architecture. The apartment consists of an entrance hall with cloakroom and guest toilet, leading to a large, bright living room of ± 48 m² with a fully equipped open kitchen. This living space has direct access to two terraces totaling ± 13.3 m². The sleeping area comprises two bedrooms of ± 16.2 m² and ± 9.8 m². The master bedroom has an en-suite bathroom, while the second bedroom has a separate shower room. A laundry room and a utility room complete the apartment. The high-end finishes are inspired by modernist architecture, combining simplicity and contemporary style. Triple glazing, underfloor heating via heat pump, dual-flow ventilation, and solar panels guarantee excellent energy performance. PEB: A/A-/B (pending). Parking spaces and cellars available at an additional cost. Delivered, freehold. Sale subject to 21% VAT and 12.5% registration fees.
