About this property

Vaneau Lecobel presents an exceptional project in the heart of the famous historical district of Parc and Palais d'Egmont, Petit Sablon and the Royal Conservatory of Brussels. The Sequenza project comprises 15 luxury apartments, ranging in size from ± 110 m² to ± 214 m², with 2 to 3 bedrooms and spacious south-west-facing terraces offering breathtaking views over the park. This exceptional project guarantees incomparable quality of life thanks to its privileged location. It also stands out for its advanced security features, such as armored doors, building entry lock and windows with burglar-resistant glass. In addition, it is designed to be energy-efficient, thanks to the use of solar panels and a green roof. Thermal and acoustic insulation is carefully considered, with triple-glazed windows and a dual-flow ventilation system. Cellars are included, and basement parking is available at an additional cost (+40,000€). Delivery is scheduled for spring 2025. The sale is subject to VAT, with the possibility of a reduced rate of 6%. The estimated EPB is class A. For further information on the Sequenza project, please contact us by telephone on 02/669.21.70 or by e-mail at promotion@lecobel.be.
