About this property

Vaneau Lecobel is honored to present this superb 2-bedroom apartment with a gross surface area of ±132 sqm, located on the 4th floor of the prestigious Malou View project, ideally set in Woluwe-Saint-Lambert in a green and sought-after environment. Bathed in natural light, the apartment comprises a spacious entrance hall with integrated cloakroom area and guest toilet, leading to a bright living room of ±50 sqm with a fully equipped open kitchen and access to a beautiful est-facing terrace of ±18 sqm, offering an open view over the surrounding greenery. The night hall serves two spacious bedrooms (±15 and ±17 sqm), including a master suite with a 4.5 sqm walk-in closet, its private bathroom, and a separate private toilet. A second shower room and a laundry room harmoniously complete the ensemble. High-end finishes reflect the great care devoted to the project's design: semi-solid oak parquet flooring, underfloor heating with an individual heat pump, double-flow ventilation, photovoltaic panels, and excellent thermal and acoustic insulation (estimated EPC rating A). This property combines architectural elegance, contemporary comfort, and energy performance, in the heart of a green and sought-after neighborhood, in immediate proximity to shops, public transport (tram, metro, bus), sports facilities and renowned schools, including the highly coveted European School. Parking spaces available as an option (€40,000). Possibility to acquire a cargo-bike space. Subject to 21% VAT (6% possible under certain conditions). For more information about the project, please contact us at 02/669.21.70 or by email at promotion@vaneau-lecobel.be.
