## About this property

Vaneau Lecobel is delighted to present this superb two-bedroom apartment with a gross area of ±132 m<sup>2</sup>, located on the 3rd floor of the prestigious Malou View development, ideally situated in Woluwe-Saint-Lambert in a leafy and highly sought-after setting. Bathed in light, the apartment comprises a spacious entrance hall with built-in cloakroom and guest toilet, leading to a bright living room of ±50 m<sup>2</sup> with a fully fitted open kitchen and access to a east-facing terrace of ±14 m<sup>2</sup>, offering an open view over the surrounding green spaces. The night hall serves two generous bedrooms (±15 and ±17 m<sup>2</sup>), including a primary suite with private bathroom, walk-in dressing, and a separate private WC. A second shower room and a laundry room complete the ensemble. High-end finishes reflect the care devoted to the project's design: engineered oak flooring, underfloor heating with an individual heat pump, dual-flow ventilation, photovoltaic panels, and excellent thermal and acoustic insulation (estimated EPC rating A). This property combines architectural elegance, contemporary comfort, and energy performance at the heart of a green and desirable neighbourhood, in the immediate vicinity of shops, public transport (tram, metro, bus), sports facilities and renowned schools, including the highly coveted European School. Parking spaces available at an additional cost (€40,000). Possibility to acquire a cargo bike space. Sold under the 21% VAT (6% possible under certain conditions).
