About this property

Located on the prestigious Boulevard de la Woluwe in Woluwe-Saint-Lambert, Vaneau Lecobel presents this magnificent $\pm 275\text{m}^2$ commercial space in the Malou View project, an exclusive, high-end residential development between Parc Saint-Lambert and Château Malou. Multiple commercial spaces available for sale as shell units. The architecture stands out for its light natural stone facades, bronze aluminum joinery, and high-end finishes. Optimal energy performance (PEB A) thanks to underfloor heating via heat pump, dual-flow ventilation, reinforced acoustic and thermal insulation, and photovoltaic panels. The living environment is characterized by the tranquility and prestige of the Woluwe-Saint-Lambert neighborhood, prized for its green surroundings and quality of life. In the immediate vicinity: Place Saint-Lambert and its weekly market, numerous shops (Woluwe Shopping Center), restaurants, sports centers, and renowned schools, including the highly sought-after European School. Public transport (tram, bus, metro) and major roads nearby allow for heavy traffic. Parking spaces are available at an additional cost (€40,000). Possibility of acquiring a cargo bike parking space. Subject to 21% VAT (possibility of 6% under certain conditions). For more information about the Malou View project, contact us at 02/669.21.70 or by email at promotion@vaneau-lecobel.be.
