## About this property

Vaneau Lecobel is honored to present this superb 3-bedroom apartment with a gross surface area of ±130 sqm, located on the 5th floor of the prestigious Malou View project, ideally set on Boulevard de la Woluwe in Woluwe-Saint-Lambert, between Parc Saint-Lambert and Château Malou. Bathed in natural light, the apartment comprises a spacious entrance hall with integrated cloakroom area and guest toilet, leading to a bright living room of ±45 sqm with a fully equipped open kitchen and access to a beautiful est-facing terrace of ±16 sqm, offering an open view over the surrounding greenery. The night hall serves three spacious bedrooms (±12, ±13 and ±16 sqm), including a master suite with private bathroom, double washbasin and separate private toilet. A second shower room and a laundry room harmoniously complete the ensemble. High-end finishes reflect the great care devoted to the project's design: semi-solid oak parquet flooring, underfloor heating with an individual heat pump, double-flow ventilation, photovoltaic panels and excellent thermal and acoustic insulation (estimated EPC rating A). This property combines architectural elegance, contemporary comfort and energy performance in the heart of a green and highly sought-after neighborhood, in immediate proximity to shops, public transport (tram 8, metro, bus), sports facilities and renowned schools, including the highly coveted European School. Parking spaces available as an option (€40,000). Possibility to acquire a cargo-bike space. Subject to 21% VAT on the construction portion (6% possible under certain conditions) and 12.5% registration duties on the land.
