About this property

Ideally located on a quiet street between MÃ©rode and Montgomery, this magnificent and unique house was created by the renowned architect Bonduelle. A true architectural masterpiece, it has preserved its original features after a complete renovation in 2001-2002. The celebrated Belgian painter Armand Paulis lived here for several years, leaving behind his artistic legacy: interior paintings and stained glass windows. Spread over four levels, the ground floor comprises an entrance hall with a vestibule and cloakroom, a spacious living room with a bay window, and a dining room leading to a fully equipped kitchen. There is also a small courtyard of 9 m². The first floor features a spacious master bedroom with ample custom-built closets, an 11 m² bedroom with a closet, a 7 m² office with custom-made furniture, and a bathroom (bathtub, shower, double vanity, toilet). The second floor offers a light-filled 45 sq m space with an original glass roof that was once the Paulis painter's studio. There is also a second kitchen and a toilet. On the third level: a mezzanine bedroom and a 15 sq m rooftop terrace. In the basement: a wellness area (large sauna and shower), laundry room, cellars, boiler room, and wine cellar. Also included: alarm system, fireplace, original flooring and moldings, in impeccable condition! Close to all amenities: shops, transport (metro, tram, bus), schools (Sacramentum de Linthout, Collège St. Michel), Cinquantenaire Park.
