About this property

Vaneau Lecobel presents an exceptional project in the heart of the famous historic district of Parc and Palais d'Egmont, Petit Sablon and the Royal Conservatory of Brussels. The Sequenza project comprises 15 luxury flats, ranging in size from 110 mÂ² to 214 mÂ², with 2 to 3 bedrooms and spacious south-west-facing terraces offering uninterrupted views over the park. This exceptional development guarantees an incomparable quality of life thanks to its privileged location. It also boasts advanced security features, such as armoured doors, a building entrance lock and windows with burglar-resistant glass. It is also designed to be energy-efficient, thanks to the use of solar panels and a green roof. Thermal and acoustic insulation is carefully considered, with triple-glazed windows and a dual-flow ventilation system. Cellars are included, and basement parking is available at an additional cost (+â€40,000). Delivery by the act. The sale is subject to VAT, with the possibility of a reduced rate of 6%. The estimated EPB is class A. For more information on the Sequenza project, please contact us by telephone on 02/669.21.70 or by e-mail at promotion@lecobel.be.
